

INFORMATION SHEET

FOR FACILITIES MANAGER

Scroll through the posts as the facilities are being maintained. Open and approve tickets your technicians tagged you, and find a vendor for an immediate follow-up! With BPA Concierge, equipment identification and vendor matching are simple and accurate!

For Facilities Manager, let BPA help you

- ✓ Track every ticket with supporting paperwork
- ✓ Find the right vendors
- ✓ Upload supporting photos and documents
- ✓ Identify and match a vendor
- ✓ Digitalise on mobile and go contactless
- ✓ Schedule the tasks with your team
